

February 4-H NEWSLETTER

Meet your Agent!

Hi, I'm Amber Dotson, the new 4-H agent in Bath County! I am so excited to be here and work to provide fun and educational opportunities to students in the county. I am from Mount Sterling, KY and graduated from Montgomery County High School where I was an active member of FFA. I later graduated from the University of Kentucky (Go Cats!) where I studied Agricultural and Medical Biotechnology. In my free time, you can find me on the couch with my two Australian Shepherds, Tonka and Tega, watching UK sports, or indulging in Mexican food! In this role, I am most looking forward to catering programs to student interest and giving students something to be excited about, look forward to, and enjoy participating in. Stop by the office anytime to say hello!
